**Notice to Alien of File Custody Review**

You are detained in the custody of the Immigration and Customs Enforcement Agency (ICE) and you are required to cooperate with ICE in effecting your removal from the United States. If ICE has not removed you from the United States within the removal period as set forth in INA 241(a) (normally 90-days) of either: 1) your entering ICE custody with a final order of removal, deportation or exclusion, or 2) the date of any final order you receive while you are in ICE custody, the ICE Deciding Official will review your case for consideration of release on an Order of Supervision. Release, however, is dependent on your demonstrating to the satisfaction of the Attorney General that you will not pose a danger to the community and **will not** present a flight risk.

Your custody status will be reviewed on or about: **8/26/2018**. The Deciding Official may consider, but is not limited to considering the following:

1. Criminal convictions and criminal conduct;
2. Other criminal and immigration history;
3. Sentence(s) imposed and time actually served;
4. History of escapes, failures to appear for judicial or other proceedings and other defaults;
5. Probation history;
6. Disciplinary problems while incarcerated;
7. Evidence of rehabilitative effort or recidivism;
8. Equities in the United States;
9. Cooperation in obtaining your travel documents;
10. Any available mental health reports.

You may submit any documentation you wish to be reviewed in support of your release, prior to the date listed above, to the attention of the Officer and address below. English translations must be provided pursuant to 8 CFR 103.2(b)(3). You will be notified of the decision in your case when the custody review has been concluded. An attorney or other person may submit materials on your behalf. The Field Office Director will notify you of the decision in your case. Attached to this notice is a list of free or low cost legal representatives who may be able to provide assistance to you in preparing your case
